Religion Chapter 19 Study Guide

God always forgives us if we are sorry.

It is important to forgive others.

God is like the forgiving father in the story Jesus told.

Jesus always followed God's laws.

Jesus wants us to follow God's laws too.

Sometimes it is hard to make good choices and we choose not to follow God's laws.

A way to ask God for forgiveness is in the sacrament of Reconciliation.

When we celebrate Reconciliation, we receive God's forgiveness and peace.

The priest shares God's forgiveness with us during the sacrament of Reconciliation.
